BULLETIN NO. 1.

SURPLUS STOCK

—FROM—

The Huntsville Wholesale Nurseries.

HUNTSVILLE, ALA.

Shipments from St. Louis, Mo.,

—AT—

ONE DAY'S NOTICE

WE have for the past twenty-five years offered in assorted lots at St. Louis in Spring such stock as we had in surplus. Herein is a schedule of what we now have in St. Louis for immediate shipment. The stock is exclusively of our own growing, at Huntsville, Alabama, fresh dug this Spring, packed in the best manner and warranted in fine condition. Everything is fine of the grade, with full fibrous roots, and not culled, as we adhere to a strict system of grading.

BELOW THE BLIZZARD LINE.

Everything is bright, green and fresh—sound to the tips. Nearly all the sorts offered are standard sorts, such as most nurserymen can use in assortment with their own growing. Orders should be sent in as soon as possible, but the stock need not be shipped until wanted, as we are prepared to hold it in good condition. We have nothing for sale not offered in this list.

It will be noticed by some of our correspondents that we have refused orders the past season for several articles listed. Our fear of overselling and some countermands are responsible for this. We ask attention to the small-sized trees offered for transplanting into nursery rows. All of the small trees, as well as the large ones, are nicely rooted, and everything is young, smooth and bright.

We can refer to nurserymen who have bought of us in every State and Territory. We can give satisfaction, and guarantee it for these shipments.

TERMS: Cash with order, or 30 to 60 days from date of shipment to responsible, prompt-paying parties. In box lots the price of boxes is included, but the price of boxes on orders filled from the nurseries is extra. The cost of drayage in St. Louis will be charged in both cases.

For convenience in telegraphing a cipher is given. The cipher word stands for one box only in cases where there are more than one in the same assortment.

Address

W. F. HEIKES, Manager,

Huntsville, Ala.

HUNTSVILLE, ALA., March 18, 1905.

Heikes--Huntsville--Trees.

Address **W. F. HEIKES, Manager, Huntsville, Ala.** We will not have a representative in St. Louis this Spring. All letters and telegrams should be addressed to W. F. Heikes, Manager, Huntsville, Ala. We have arranged with the Cold Storage House in St. Louis where our stock is stored to ship promptly everything upon our orders, which we will make by telegraph when quick shipments are desired.

Use the Nurserymen's Telegraphic Code in telegraphing. Any one not in possession of a copy will be supplied upon application.

ASSORTED LOTS.

We offer the following assortments in box lots at low prices to insure quick sales. We will not open or repack anything. The stock is of the same quality as that sent out by us heretofore. Each box contains an assortment as shown. In ordering one or more boxes, should the particular lot desired be sold, state what substitution will be allowed. The prices quoted include the cost of boxes and the freight from Huntsville to St. Louis—the drayage charges are to be paid by the purchaser. When the postoffice address and the railroad station differ, always give explicit marks for the boxes when ordering.

PERFECT DORMANT CONDITION.

Our stock is all in perfect dormant condition, and we are prepared to keep it so until the end of the season, as everything is now in cold storage.

INSPECTOR'S CERTIFICATE.

Our card with Inspector's Certificate is placed on all boxes and packages. Any one ordering from a State where more than this is required should inform us in ample time to comply with the law. Should any one desire this card removed before shipping, it should be stated in the order.

FREQUENT BULLETINS.

We shall issue Bulletins from Huntsville weekly during March and April. Any one failing to receive them regularly will please write for copies.

FREEZING WEATHER.

There is always more or less danger of trees being caught en route in freezing weather in Spring. We pack in such a manner that should the contents of the boxes freeze solid on the way to our customers, the trees will receive no injury if the frost is allowed time to come out before the trees are removed from the boxes. The trees should be taken from the boxes as soon as frost is out, or should there be no frost in the boxes when received, the trees should be removed from the boxes immediately upon arrival. We practice in this respect what the experience of many years has taught us. If our customers will follow these rules and notify us of the condition of the trees at once when taken from the boxes we will guarantee good condition. Notice should be sent to us at once by telegraph, at our expense, if there is any cause of complaint or should the trees be refused, stating reasons. The trees will be considered accepted if removed from the boxes in which they are packed.

TERMS AND CONDITIONS.

For further terms and conditions concerning risk of transportation, claims, etc., see our regular Price List.

THE HUNTSVILLE WHOLESALE NURSERIES PRICE LIST.

Peach Trees at Huntsville in Cellars.

The Peach trees offered below are in cellars at Huntsville and all in good condition. We will accept orders for these at the prices quoted f. o. b. Huntsville. These trees were in cellars during the extreme cold weather and are perfectly sound. Our cellars are cool and this stock is carefully packed in "Shingle Tow", and can be held in good condition until the 1st to 15th of April, although by that time growth may be started to some extent.

ROSES.

Dormant. Field Grown. Own Roots, Grafts and Buds.

These Roses were grown at our branch nurseries, Biloxi, Miss., and are now in cold storage in St. Louis. They are well grown plants of their respective grades and equal in quality to our former productions. They are in good dormant condition, and we guarantee them to give satisfaction. The No. 1 plants have three or more branches and 18 to 20 inches of wood. The No. 1½ plants are made up with plants just under No. 1, slightly under height and weight. They are suitable for mail orders or for retailing where good light plants will answer. The No. 2 plants are recommended only for transplanting. All are buds except four boxes. Rabbit, Rasp, Rat and Raven. These are own roots.

PECAN SEEDLINGS. Gulf Coast Thin Shell.

The Pecan Seedlings are standing in the nursery at Huntsville. The buds are very late in moving in the Spring and are now dormant.

These trees are grown from selected nuts collected along the Gulf Coast in Southern Mississippi and Louisiana, where the choicest thin shell nuts are produced. We will make a special price on these if taken as they run in the nursery rows.

	CIPHER.	Per 1000
Two years, 12 to 18 inches.....	<i>Patent</i>	\$50 00
Two years 18 to 24 inches.....	<i>Paddle</i>	65 00
Two years, 24 to 30 inches.....	<i>Pebble</i>	75 00

Offerings for Fall of 1905 Spring of 1906.

We will have our usual large stock of Pears, Plums, Cherries, Peaches, Roses and Grafted and Budded Pecans for sale for the Fall of 1905 and Spring of 1906.

Nurserymen who operate through agents or who buy to sell at wholesale will profit by corresponding with us now. We will make prices upon a basis that will be mutually advantageous. We are willing to share profits and are likely to be more liberal early in the season than later.

While our stock in everything we grow is large, it is especially so in Kieffer Pears, one year, and June Budded Peaches.

We do not buy to sell again, so you need have no fear of getting heeled in stock, and you can depend upon getting trees fresh dug and of our standard grades.

The indications are that the coming year will be one of prosperity, especially for the tree vendor. Those who have bought of us heretofore will do so again with the assurance that our stock will give perfect satisfaction to their customers on delivery.

We believe we have the best organized force of laborers in the United States. Most of our men have been with us many years. Because of this advantage we are enabled to do an extensive business with more exactness and expedition than many concerns which have a far smaller production.

Huntsville Wholesale Nurseries,

W. F. Heikes, Manager,

Huntsville, Ala.
